*Draft(based on
WB email 31/10/14)*

In the event of Fire in the Clubhouse:

1. **Raise alarm** (shout warning, ring Clubroom bell loudly if upstairs).
2. **Evacuate premises**, muster on slipway (tide permitting) or entrance lane.
 - Bar Tender/Committee Member/Event Organiser as available to supervise orderly evacuation.
 - Attend with Fire Extinguishers*, Fire Blanket* if judged manageable.
 - Contact Fire Brigade (999 – Fire) if needed, (LSC location - Lympstone Harbour, The Strand, EX8 5EX).
3. **At Muster Point** attempt to account for all people in the club at the time

Fire Exits:

- Signed door, rear wall of clubroom adjacent to the bar. Turn R, follow along wall, down the steps; and also via the main access door in the lobby, if downstairs or if the stairway is clear.
- **Check especially that both changing rooms and toilets are empty**

***NB!** Two fire extinguishers are located in the Clubroom, one by the entrance door, the other by the door from the galley into the bar. A third appliance is located in the entrance lobby. Fire Blanket is located in the galley.
