- 1 See 'CRUISER SAILING INSTRUCTIONS' for conduct of races.
- 2 Start sequence for normal races will be one sound signal at START minus FIVE minutes. There will be no other signals.
- 3 For start of Pursuit Races refer to Sailing Instructions.
- 4 Races may be extended by adding a second course (eg 2 + 6) and in this case the race will be sailed as one continuous course.
- 5 Record your own elapsed time from start time to crossing the finish line. If two courses are being sailed consecutively record your time at the end of the first and second course.
- 6 Note which boat finishes before you, and behind you. Note the approx. time differences.
