

LSC Bar Rota 2021

Thank you for volunteering to help the club and do a Friday evening bar duty.

COPIES OF 2021 BAR DUTY LIST ARE POSTED ON BAR DOOR AND SOCIAL NOTICE BOARD IN CLUB LOBBY

If the date allocated to you is inconvenient, it would be much appreciated *if you could arrange a swap*, (contact numbers below) *and then let me know so I can update the master list.*

IF I DO NOT HEAR TO THE CONTRARY, I WILL ASSUME THE EVENING DUTY IS COVERED.

The "opening up" and "closing down" procedures are straightforward, with clear instructions in appropriate locations and in the club manual and as attached.

PLEASE ENDEAVOUR TO OPEN UP AT 19:30hrs. CLOSING TIME WILL BE VARIABLE DEPENDING ON CUSTOM BUT MAY NOT NECESSARILY MEAN STAYING LATE, PARTICULARLY IF A MEMBER OF THE COMMITTEE IS STAYING BEHIND TO LOCK UP (and drink!).

Draught beer is now no longer sold, only bottled variety. A drinks price list is available on the bar.

Club keys are "in the usual place". If you are in any doubt about the procedures, contact me or a committee member who will be pleased to explain or arrange a rendezvous to let you in and show you the ropes. (Tel: numbers are in the sailing programme.)

It would assist the bar committee if you would re-stock the bar, particularly after a busy night.

There is usually plenty of spare bottled beer under the bar counter or, if necessary from the cellar, to stock up shelves before closing the bar.

NOTE bar cellar has combination padlock fitted, the number of which is included in bar opening instructions

Any update to the combination will be included in reminder emails issued a short time before your duty date

Thanks again and have a fun evening.
